

Each year many
young children and
youth become
separated from
family and friends
while enjoying the
great Canadian
outdoors

Hug-A-Tree and Survive is a
Search and Rescue program.

It is aimed at children from
kindergarten to grade six and
has as its purpose the goal of
teaching them:

1. How not to become lost in the
woods;
2. What to do if they do become
lost;
3. How not to come to harm
and;
4. How they can help searchers
find them.

The program is made up of a:

Video Presentation

Colouring Book

Demonstration

and

Discussion

taking about two hours
